

Typical Furniture and Appliance Dimensions

Listed are some typical furniture and appliance dimensions for reference. This information might be of help to you as you view potential properties for your next home, and we suggest you take a tape measure, paper, and writing implement with you as you tour properties. If you're concerned about a specific piece of furniture or appliances that you own, be sure to measure its dimensions and jot them down here before you go. These are typical values; actual dimensions of a particular item can vary widely.

Dimensions are shown in inches unless noted otherwise.
